

Department of Special Services John Y. Dater School 35 School Street Ramsey, New Jersey 07446

#### Save the date!

The Ramsey School District invites you to come and meet with local and statewide agencies that provide services and supports to students during their transition years. This transition fair is an opportunity for families and community members to meet with representatives of agencies, colleges, companies and groups who provide important services including (but not limited to) mental health assistance, planning and transition services, post secondary paths, extracurricular activity opportunities and much more within the Bergen County and the surrounding areas.
