ACKNOWLEDGEMENT OF STUDENT/PARENT HANDBOOK

This handbook is a reference guide for students and parents at Ramapo High School. As well as general information and school services, it contains important regulations concerning student attendance, student behavior and disciplinary action. I understand that by electronically acknowledging that I have reviewed this Student/Parent Handbook, I am also acknowledging that students will be held accountable for their behavior and will be subject to the disciplinary consequences outlined here.

STUDENT SEARCHES

The Ramapo Indian Hills Regional High School District may conduct inspections of student lockers, desks, and other storage facilities on school District property. Administrators, in conjunction with security personnel may conduct cursory "point of entry" inspections of students and their belongings on school grounds and at social events. Students are also subject to a search when reasonable grounds exist.

Additionally, drug-scent dogs may be used to conduct suspicionless inspections on school property including but not limited to lockers, desks, handbags/purses, backpacks, and other portable containers, outer clothing removed from students and vehicles brought on school grounds. Students may be ordered to vacate an area or room and leave behind their outer clothing or other possessions to be examined by scent dogs.

These searches are an effort to enforce the district's zero tolerance policy on drugs and alcohol.

CELL PHONES AND SCHOOL DISCIPLINE

Cell phone confiscation and searches are allowed when necessary to prevent imminent and serious harm, or when there is actual knowledge or corroborated suspicion that evidence of the misconduct is in the device. If the student's misconduct involves phone use, confiscation and search are always valid and no additional justification is needed.

PLEASE NOTE: Contents are subject to change as Board of Education policies are revised and/or updated.

STUDENT COUNCIL PRESIDENT WELCOME LETTER

Hi Raiders!

As summer wraps up we all have to embrace the beginning of the new and fantastic school year approaching! Whether this is going to be your first or last year at Ramapo, we are going to make it your best year. Our school is known for our academic, athletic, and artistic excellence, so let's take this opportunity to continue the tradition of greatness.

Freshmen, you are starting a brand new chapter in your life! It is necessary that each and every one of you enter this year with optimism and the determination to succeed. The upperclassmen are willing to help show you around and make your transition into high school easier. Take advantage of your freshman outreach meetings and help keep our school the best place to be. Doing well in school is always the objective, but never let yourself stress out too much over one essay or one test. Time management and a good attitude is vital.

Sophomores and Juniors, right now it seems like you have a lot of high school left, so make the best of the time you have now. You will be seniors before you even know it. Continue to dedicate yourselves to making our school an accepting and positive environment for everyone! Get involved, try your best, and be kind to everyone. That's all I can ask for.

Seniors, this is our year! We have waited for this moment in our lives for long enough, so let us make this year the one we will always remember. Let us be remembered as one of the best senior classes to ever go through Ramapo. By now we are all family, so let's act like it. We need to support ALL sports, clubs, and arts programs. School spirit needs to be better than ever before, so show your Po Pride!!

Let's all tackle this year the Raider way, AS ONE! We all need to push to be the best versions of ourselves and enjoy the time we have together. Ramapo is a safe, exciting, and positive environment and it needs to be kept that way. Let's all work together and have the best year possible.

GO PO!

Gianna DeMarco

Student Council President

ATTENDANCE

ATTENDANCE PROCEDURES

If your child is going to be absent, please call 201-891-1500, PRESS 1 and report the absence on the Attendance recording. You may also send an email notification of the absence to RAMattendance@rih.org

Please include the date(s) and the student's full name (please spell last name) and grade. When a student is reported absent from homeroom and the school has not been notified by the parent of that absence, the parent will receive a call from the school's computer-generated automatic absence reporting system.

After every absence, no matter what the reason, the school will expect the parent to furnish a written absence excuse. This should include:

1. Your name and date(s) of your absence
2. Reason for absence including the nature of any illness
3. The signature, in ink, of your parent or guardian

The determination to grant an excused absence lies in the sole discretion of the building principal or principal's designee and shall be based upon the criteria set forth by the Ramapo Indian Hills Regional High School District.

The Ramapo Indian Hills Regional High School Board of Education requires students to attend school regularly in accordance with the laws of the State. Attendance at school may be **EXCUSED** for certain absences as defined by the Board. All absences for reasons other than excused, shall be **UNEXCUSED**.

PROPER DOCUMENTATION TO EXCUSE AN ABSENCE

Upon submission of proper documentation to the Attendance Office, the following are considered **EXCUSED ABSENCES**:

- Religious observance as documented by the parent and approved by State guidelines pursuant to N.J.S.A. 18A:36-14-16;
- Student illness, physician's note required within three (3) school days (medical note must be from a *non-family member*);
- Examination for a driver's license;
- College Visitation (three for seniors and three for juniors);
- Death in the immediate family;
- Administrative Out-of-School or In-School Suspension;
- Approved school activity (field trip, meeting, cooperative education assignment, scheduled athletic competition).

Prolonged or repeated absences, excused or unexcused, from school or from class, deprive the student of the classroom experience deemed essential to learning and may result in retention at grade level or loss of course credit. In addition, unexcused absences from school or from classes within the school day shall subject a student to the disciplinary rules under the school's Code of Conduct, which may include denial of a student's participation in extracurricular activities and/or athletic competition. Repeated truancies that interfere with the continuity of classroom instruction may result in the suspension or expulsion of any student from that course of study. Truancy shall be any unexplained absence including but not limited to: cutting class(es), leaving campus without permission, or any other absence which is not explained by parents.

EARLY DISMISSAL REQUESTS

If a student needs to be dismissed from school during the school day, the student must bring a parent note to the Main Office before homeroom with the student's name, grade level, date, time, reason for dismissal, and a phone number.

Students should not leave class to bring notes to the Main Office. All notes for an early excuse may be confirmed by phone with a parent before the student is released from school.

A route slip will be given to the student to show to their teacher so they may leave the classroom at the designated time. If the student returns the same day, he/she must sign back into school, in the Main Office, before returning to the classroom. Students who are signed out by the nurse and return the same day, must sign back in with the nurse's office.

Early dismissal from school, unless for administrative reasons, shall be counted as an “absence from class” for each period missed.

MAKEUP OPPORTUNITIES AFTER AN ABSENCE

Students absent from school for any reason, whether excused or unexcused, are responsible for the completion of assignments and assessments. Teachers are not required to provide make-up tests for students absent without an approved excuse when a test is given. It is the responsibility of the student to schedule with the teacher a time when tests and quizzes can be made up. Generally, make-up tests will occur after school, unless it can be mutually worked out for them to be given during the school day. Study halls or unassigned times may be used if mutually convenient.

Makeup Guidelines: Students who have been absent for one or two days are expected to make up work/tests ***within two class days*** of returning to school. If the absence is three days or longer, the missed work must be made up ***within five class days*** after the student returns to school unless previous arrangements have been made with the teacher due to extenuating circumstances. Generally, missing assignments will be posted as a zero (0) until the work has been submitted or until the timeframe for completing the work has expired. If work is not made up within the designated time frame, a grade of zero (0) will be maintained. (For just cause, a teacher/administrator may extend the time frame for completion of missing assignments.)

If an end of Marking Period “Incomplete” Status is granted by the teacher, the student has 10 school days after the last date of the marking period to complete academic obligations. Any further extensions must be approved by administration.

PROCEDURES FOR REQUESTING HOMEWORK

A student must be absent at least **two consecutive days** in order to receive missed homework assignments. Parents should contact the child's guidance counselor to make such requests. Please allow a full 24 hours for homework to be assembled. Work must be picked up in the guidance office; it cannot be mailed or faxed. **For absences of fewer than three days, students are advised to visit the teacher's Schoology page for daily homework assignments.**

HOME INSTRUCTION POLICY

A student is eligible to receive home instruction from an instructor hired by the Board of Education when a physician has assessed and memorialized in a medical notification that a student will be absent for more than 10 consecutive school days, or 15 cumulative school days. All requests of this nature must come from a physician and are required to be approved by the district's physician. The request must be provided on the letterhead of the physician with the original signature of the physician. Should you believe that your child is in need of home instruction, please contact the student's guidance counselor. In addition, home instruction is offered for core courses only (English, Math, Science, Social Studies and World Language) and cannot be offered in elective subjects. **Students on bedside/home instruction must first report to the school nurse upon re-entering school with a physician's note designating the return-to-school date.**

PROCEDURES FOR CLASS ATTENDANCE

CLASS ATTENDANCE AND LOSS OF CREDIT

A student must adhere to Board of Education Attendance Policy 5200 in order to receive course credit. Awarding of credit shall be dependent upon a student not accruing more than ten (10) unexcused absences for each full year course or a proportionate number of days for courses less than a full year. The limit set on the maximum number of days a student may be absent before being denied course credit should not be perceived as a license to be absent for inappropriate reasons.

| Course Credits | Absence Limit |
|-----------------------------------|---------------|
| 5 to 10 credits (Full – year) | 10 |
| 3.75 credits (Physical Education) | 7 |
| 2.5 credits (A/B or semester) | 5 |
| 1.25 credits (Health) | 3 |

Although a student may satisfactorily complete the course objectives, he/she may not receive credit if the attendance requirement for that course is not fulfilled.

CLUB/ATHLETIC INVOLVEMENT AND ABSENCES

Participation in co-curricular activities is a privilege. Any student who is not in attendance for (4) hours of the school day will be considered absent according to N.J.A.C. 6A:32-8.3. **In order to be eligible to participate in any after school activity:**

- **A student must be in school for half of the school day (i.e. if a student arrives late to school, they must be in school by 10:39 a.m.) on the day of the activity** with a note from a parent/guardian and remain in school for the duration of the school day.
- In the event of a medical appointment, all students must attend school for a minimum of 4 hours and present a doctor's note with a date and time stamp upon arrival.

A student involved in a co-curricular activity who is assigned to an Administrative Detention/Saturday Detention may not participate in any aspect of the activity on that day until their detention has been served. A student who is assigned to in-school suspension for the day may participate in activity on that day at the conclusion of the in-school suspension. A student who is assigned an out-of-school suspension may NOT participate in activities or be on school grounds or a school sponsored event until the conclusion of the suspension.

TARDINESS

TARDINESS TO SCHOOL

Students are tardy to school if they arrive to homeroom after the 7:35 a.m. bell has rung. Homeroom starts at 7:35 a.m. and ends at 7:40 a.m.

If lateness is due to a late school bus, it will not be counted as an absence from the class period provided that the school has ample notification.

TARDINESS TO CLASS

Students are tardy to class if they arrive after the bell indicating the start of the period. Students will receive detention for unexcused tardies to the same class. The consequences for accumulated unexcused tardies to the same class are outlined in the Chart of Discipline, which can be referenced at the end of this handbook.

For class attendance purposes, it must be noted that the following shall apply:

- Tardies of fewer than 13 minutes are counted as lateness and **DO NOT** affect absence totals
- Tardies of more than 13 minutes shall be counted as a full “absence from class”

WHEN A TARDY AFFECTS ATTENDANCE

See the times noted in the chart below to determine if a tardy will be considered an absence:

| Class Period | Class Time Frame | Late after time noted equals an ABSENCE |
|--------------|-------------------------|---|
| Period 1 | 7:40 a.m. - 8:23 a.m. | 7:53 a.m. |
| Period 2 | 8:27 a.m. - 9:10 a.m. | 8:40 a.m. |
| Period 3 | 9:14 a.m. - 9:57 a.m. | 9:27 a.m. |
| Period 4 | 10:01 a.m. - 10:44 a.m. | 10:14 a.m. |
| Period 5 | 10:48 a.m. - 11:31 a.m. | 11:01 a.m. |
| Period 6 | 11:35 a.m. - 12:18 a.m. | 11:48 a.m. |
| Period 7 | 12:22 p.m. - 1:05 p.m. | 12:35 p.m. |
| Period 8 | 1:09 p.m. - 1:52 p.m. | 1:22 p.m. |
| Period 9 | 1:56 p.m. - 2:29 p.m. | 2:09 p.m. |

The administration will contact the parent to review/revise the action plan.

10+ Unexcused “Truancy” absences:

The cumulative absences will be considered truancy and referred to the court system. Additional disciplinary action may be taken as outlined in the Chart of Discipline, which can be referenced at the end of this handbook

ATTENDANCE APPEAL PROCEDURE*

If a student exceeds the allowable number of absences, a student may appeal the non-credit status using the following procedure.

1. **Petition for Appeal** – A written petition must be submitted to the assistant principal by the student, no later than five (5) school days after receiving official notification of a loss of credit status. Failure to do so will forfeit the right to an appeal. The student must regularly attend school and class until his/her appeal is heard and a decision is rendered.
2. **Attendance Review Committee** - In keeping with the dictates of the due process procedure, the committee shall review cases brought by student petition. The appeal committee may be comprised of an assistant principal, teachers, school nurse and guidance counselor of the appealing student. Additionally, a case worker will be involved if appropriate.

*The attendance appeal procedure is set forth in district policy and regulation 5200

SCHOOL INFORMATION

CLOSED CAMPUS REGULATION

Ramapo is under a closed campus regulation. Students must have permission from an administrator to leave school grounds. Any student who does not follow this procedure will be subject to penalties listed for leaving school grounds and may have privileges revoked.

ON CAMPUS STUDENT PARKING

There are designated areas on campus for student parking and students are required to abide by these parameters set forth by the school. Failure to do so will result in consequences, which are noted in the Chart of Discipline enclosed at the end of this handbook. All students’ cars parked at the school during school hours are parked at their own risk. Student vehicles must be officially registered with the school to obtain a parking decal. This decal must be adhered to the driver’s door window in the lower right hand corner. **DO NOT** park in the teachers’ parking lot, fire zones, visitor’s or handicapped designated areas. **Cars parked in any of these areas will be issued consequences as noted in the Chart of Discipline.** Students are reminded that they are to drive slowly and courteously. A speed limit of 10 mph has been established and will be enforced.

Vehicles not registered with the school will be referred to the local police department for enforcement.
****Please note if a summons is issued a mandatory court appearance is required****

APTS

The Parent, Teacher, Student Organization is an organization that serves the Ramapo High School educational community. Parents are encouraged to join the APTS and become involved in the many activities that serve our school and its students. These activities include funding special projects in the school, recognition and scholarships for students, and publications listing clubs, activities, and service opportunities for students. Please check the APTS link on our website.

CLUBS AND ACTIVITIES

Students are encouraged to become involved in the clubs, activities and sports that interest them. Additional information is available on the www.rih.org website.

It is the school's procedure that students attending school functions and activities such as dances and proms, must adhere to the rules and regulations of those functions and the District's Code of Conduct. The District does not generally permit students who leave such functions or activities to return.

Students must have properly completed and signed Field Trip permission forms in order to participate in any field trips.

FLAG SALUTE

New Jersey law requires all persons to show respect for the flag of the United States of America.

BUS TRANSPORTATION

The Board of Education has provided school bus transportation for Ramapo students who live more than 2.5 miles from school. These buses are for your benefit. Don't abuse them. Proper behavior should be observed at all times. Hazing and smoking on the buses is forbidden. Misconduct on school buses may result in having offenders removed from the bus and/or disciplinary action.

EMERGENCY / FIRE DRILLS

New Jersey school law requires two (2) emergency drills per month for practice in vacating or securing the building in case of emergency. Fire drill instructions are posted in every room. Therefore, when the fire alarm rings, stop work immediately. Form a line following the teacher's direction and do not run. Stop and stand quietly in the place specified until the signal to return is given. Teachers must take attendance when outside.

STUDENT ID CARD REGULATIONS

All students are required to carry their photo identification cards (I.D.) at all times. These cards will also serve as pass cards for electronic door entry, bathroom entry, printing access and late sign in. It is vital that you recognize the importance of your I. D. card, and take all necessary steps to safeguard the card at all times. Regulations for I.D. cards are as follows:

1. Each student will be given an I.D. card at the beginning of their Freshman year. This card must be kept for the full four (4) years of high school.
2. Students are responsible for their I.D. cards. A student who has lost his or her card must report to the Main Office and apply for a replacement I.D. card at a fee of \$10. Payable by check only. Made out to Ramapo Indian Hills Board of Education.
3. Discipline will result in the following instances; if any student refuses to carry their I.D. card, is found possessing an I.D. card not belonging to them, is found to have loaned their I.D. card to another student, or falsifies or tampers with an I D. card.

LOCKERS

Lockers are issued to students upon entry to school and are for the storage of clothing, textbooks and lunches throughout the student's' time at Ramapo High School. The administration reserves the right to inspect lockers at any time. **Do not share lockers or give your combination to another student.** Report damage to locker immediately to the Main Office.

Trained law enforcement dogs will do random searches of the building and student lockers during the school year. These searches are an effort to enforce the district's zero tolerance policy on drugs and alcohol.

Students should bring a lock to secure valuables in the Physical Education locker rooms during classes and after- school athletics.

THE SCHOOL IS NOT RESPONSIBLE FOR LOST OR STOLEN ITEMS.

ACADEMIC INFORMATION

ACADEMIC INTEGRITY

Projects, position papers, tests and quizzes, homework, essays, lab reports and other work assigned in all disciplines are distributed by the teacher to enhance instruction, to evaluate achievement and, in general, to facilitate each student's mastery of the material. The assumption that lies at the base of all academic achievement is that each student does the appropriate research, organization and presentation of the material as part of his or her own learning process.

Therefore, any student who copies another's work, or who does not acknowledge the sources of the information, ideas and/or wording obtained through the research process, is misrepresenting the work as his or her own. This is considered intellectual and academic dishonesty. The technical term is plagiarism. The penalty for copied work or for plagiarized work is a zero grade on the assignment.

Do not use another's work without citing your sources. This includes all material found on and taken from Internet web sites, CD-ROMs or other electronic sources. Be sure to consult your teacher for specific directions and format for citing sources.

Teachers will follow the same procedures as defined in the handbook under "Cheating Statement".

HIGH SCHOOL GRADUATION

The Board of Education shall recognize the successful completion of the secondary school instructional program by the awarding of a state-endorsed diploma certifying that the student has met all state and local requirements for high school graduation. The Board shall certify annually to the County Superintendent that each student who has been awarded a diploma has met the requirements for graduation.

Admission Policy - 5111

Students found not to be properly domiciled within the District, due either to failure to legally reside therein or failure to meet the criteria of an 'affidavit student' shall, subject to the requirements of law, be immediately excluded from attendance. Persons who improperly cause or allow such circumstances to develop will be prosecuted to the full extent of the law, which currently states that such acts are disorderly persons offenses, subject to fines and/or imprisonment. Demand for current and retroactive tuition payments, computed at 1/180 of the total per pupil cost for each day of ineligible attendance, will be made.

High School Graduation Requirements

A graduating pupil must have earned a minimum of 135 credits in courses designed to meet the NJ Student Standards including, but not limited to, the following credits:

1. 20 credits in language arts literacy aligned to Grade 9 through 12 standards;
2. 15 credits in mathematics, including Algebra I and Geometry (or the content equivalent), and including a third year of mathematics that builds on the concepts and skills of algebra and geometry and that prepares pupils for college and the 21st century;
3. 15 credits in social studies, including ten credits in United State History, five credits in world history, and the integration of civics, economics, geography, and global content in all course offerings;
4. A minimum of 17 credits in science including biology, chemistry, and one additional physical science course;
5. 5 credits in health, safety, and physical education during each year of enrollment, distributed as 3.75 credits in physical education and 1.25 credits in health;

All graduating students must also meet the NJ High School Testing Requirements set forth by the NJ Department of Education.

Graduation Ceremony

No student who has completed the requirements for graduation shall be denied a diploma as a disciplinary measure, but he/she may be denied participation in the ceremony of graduation when personal conduct so warrants. Such exclusion shall be regarded as a school suspension, and shall be subject to the same procedures and guarantees of due process as suspension.

GRADING SYSTEM

In all undertakings, standards must be used to measure achievement and performance. The grading system serves that purpose. In each of the quarterly marking periods, students will be graded on the following scale:

| | |
|----|----------|
| A | (93-100) |
| A- | (90-92) |
| B+ | (87-89) |
| B | (83-86) |
| B- | (80-82) |
| C+ | (77-79) |
| C | (73-76) |
| C- | (70-72) |
| D+ | (67-69) |
| D | (63-66) |
| D- | (60-62) |
| F | (50-59) |
| X | (0-49) |

In addition to these measures of achievement, an evaluation of effort is made.

HONOR ROLL

Ramapo honors its outstanding scholars by publishing an Honor Roll at the end of each eight-week marking period.

Superintendent's List

1. Grades in all subjects excluding Physical Education: All "A's".
2. Grades in Physical Education: none lower than "B".

High Honor Roll

1. Grades in all subjects excluding Physical Education: "A's" and one (1) "B" permitted.
2. Grades in Physical Education: None lower than "C".

Regular Honor Roll

1. Grades in all subjects excluding Physical Education: None lower than a "B" with one "C" accepted.
2. Grades in Physical Education: None lower than "C".

HOMEWORK

Whether you are given an actual assignment or not, you should spend approximately 30 minutes on homework for every class every night. There will be nights when an assignment will take more than 30 minutes, and others when 15 minutes will be sufficient. From time to time teachers may not give an actual assignment so that you may review or do any long-term assignments such as research reports or book reports.

When you are sick and absent or tardy from your classes, it is your responsibility to make up missed work. Contact a reliable classmate and/or check Schoology for additional class information.

FAMILY LIFE CURRICULUM REVIEW

The Ramapo Indian Hills High School District conducts a Family Life Education Program in compliance with the New Jersey Administrative Code on Family Life Education. It will be taught as part of the Health program offered to students in grades nine, eleven and twelve.

The Family Life Curriculum is in alignment with the New Jersey Core Curriculum Content Standards in Comprehensive Health and Physical Education. Parents and guardians who wish to preview the curriculum and instructional materials

can do so by contacting the District Supervisor of Health and Physical Education at 201-337-0100, Ext. 3357 or 201-891-1500, Ext. 2257.

Parents and guardians who wish to have their student excluded from those curriculum elements that the parents consider objectionable should also contact the District Supervisor.

SCHEDULE/REQUEST CHANGES

Any changes to “course requests” must be reviewed with care since registration for each school year begins the preceding January giving ample time for careful thought and planning for course selection on the part of the student, parents and counselor. Changing these requests are allowed from January through March. This March deadline is strictly enforced because any change in a request affects the Master Scheduling process.

The master schedule will be finalized on August 18, 2017. No schedule changes will be made after this date. Schedule changes will resume again during the period of September 11 – 22, 2017. Changes of an educationally sound nature will be considered with the approval of the parent and the subject supervisor, after consultation with the guidance counselor and based upon availability. Please note the following procedure regarding course selection changes: students may not change schedules for convenience or to free a period for work or sports. Students are also encouraged to make any alterations to their preliminary schedules during the month of June by contacting their temporary counselor below.

From September 25, 2017 to October 20, 2017, a student may drop a course, but NOT ADD a course, and the dropped course will not appear on the transcript.

Effective October 23, 2017, all courses in which a student is enrolled must be completed regardless of grades or progress in the course.

STUDENT RECORDS

The Board of Education shall conform in all respects to the requirements of state and federal law regarding gathering, maintaining, securing, disclosing, allowing access to and destruction of student records. Student records shall include all those mandated by the New Jersey Administrative Code and state or federal statutes, as well as those authorized by the Board of Education to promote the educational welfare of the student. Parents/guardians and adult students shall have access to those records as outlined in board Policy #8330.

Parents/guardians and adult students will be notified annually in writing of their rights in regard to student records. Should the parental right of one or the other parent/guardian be terminated by a court of appropriate jurisdiction, it is the responsibility of the person/agency having legal custody to notify the District that the right to review student records should be denied to the person whose rights have been terminated.

Authorized persons and organizations may be provided access to these records at a convenient place and time within the limits stipulated by law, i.e., within ten (10) days of the request, but prior to any review or hearing conducted in accordance with state Board of Education regulations. Parents/guardian or adult students have the right to seek to include in the records any material they think pertinent, or to seek exclusion from the records any material that is untrue, irrelevant to the student’s present educational situation or otherwise improperly contained in the student’s record.

All school records are maintained in a secure and confidential manner. Certified school personnel will annually review student records to determine their educational relevance. Any deleted information shall be destroyed. Data may not be removed from the record of a disabled student without prior parental notice.

The District shall compile, publicize and make available a “student information directory” which shall be available to educational, occupational and military recruiters as required by law. Parents/guardians or adult students will be notified in writing of their rights in regard to student participation in educational, occupational and military recruitment programs. There is a ten-day (10 day) period in which to submit a written statement to the Superintendent prohibiting the District from including information about the student before allowing access to the directory.

Student records of newly enrolled students shall be requested from the district of previous attendance as soon as possible after enrollment. For students transferring out of the district, mandated student records will be forwarded as soon as possible upon receipt of the request from the Superintendent of the new school district. Disciplinary records shall follow

within two weeks to a public school or upon written request by a private school. Mandated student records shall be preserved in perpetuity by the New Jersey school district of last enrollment. These records include name, date of birth, sex, address, phone number, grades, attendance records, classes attended, grade level completed, year completed, name of parent(s) and citizenship status.

STUDENT GRIEVANCE POLICY

Students may recommend changes in school policy and curriculum following the regulations set forth in Policy and Regulation #5710. For more information, please visit the District's Policy Manual on the website.

QUARTERLY ASSESSMENTS

All students will be required to take quarterly assessments in their courses. Quarterly assessments are scheduled for the end of each marking period according to the schedule defined in this handbook. The administration of the quarterly assessments is scheduled for the class period during the regular school day. Each quarterly assessment will count toward 20% of the marking period grade for each respective class. The final grade for the course will be an average of all of the 4 marking period grades. Students who are unable to complete the quarterly assessments during the scheduled time will need to arrange for a makeup with their classroom teacher. If a makeup is not completed, a grade of a 0 will be recorded as an assessment grade and used calculating the final grade for that marking period.

Students should not make any plans or commitments that would conflict with their availability to take the assessments as scheduled. Under extraordinary circumstances, and for compelling reasons, we will consider requests for alternative arrangements to be taken after the regular assessment date. Please make such requests **in writing** to the Principal.

CALCULATORS

Technology is an integral component of today’s math and science lessons, and the role of technology will only increase in the future. **Graphing calculators** can help students make sense of essential mathematical concepts through discovery and the power of visualization. Furthermore, they can analyze data and suggest mathematical models that “fit” the data. Students should be thoroughly comfortable with graphing calculators, since they are permitted to use them on standardized tests, including SAT-I, SAT-II, PARCC, and AP Exams.

Therefore, the mathematics and science departments recommend that each student bring his/her own graphing calculator to class every day. The calculators of choice are currently the *TI-83 Plus* or *TI-84 Plus* from *Texas Instruments*. One or the other is required for Statistics and College Algebra. These are versatile machines, easy to use and will serve the student well through four years of high school and in college math and science courses as well.

SCHOOL SERVICES STUDENT PERSONNEL

The Ramapo High School Counseling program plays a vital role in supporting the academic, social/emotional and post high school planning components of student success. In following a scope and sequence of activities, the Guidance Department ensures each student participates in their own development, both as an individual and as a member of the larger high school community.

Academic Planning: Counselors assist students in developing a course of study appropriate to student's level, interest, and possible career path.

Post High School Planning: Counselors assist students in gaining knowledge about their own interests and skills by making use of assessments (skills and knowledge inventories, personality type/learning style assessors, etc.), use of the technology-based program Naviance, and individual counseling to develop an ongoing plan for life beyond high school.

Social/Emotional Support: Counselors can help students with a wide range of issues including but not limited to decision-making skills, transitions, time management skills, and learning how to manage peer relationships.

Counselors meet with students on both an individual basis and in-group settings throughout the student's high school career. Students may make an appointment with their counselor by completing an appointment request slip in the Guidance Office. Their counselor will schedule them for an appointment and send a student pass during their homeroom. Counselors are available to students throughout the day and practice an "open door" policy whenever possible. Emergency situations will be handled on an individual basis.

SPECIAL EDUCATION

The Special Education Department at Ramapo is headed by the District Director of Pupil Personnel Services and the building-based Department Supervisor. The Child Study Team consists of school psychologists, a Learning Disabilities Teacher Consultant and a Social Worker. Related services therapies are provided by appropriately certified contractors. The teaching staff includes certified teachers of students with disabilities, supplemental teachers who are certified by subject matter, and paraprofessionals who are appropriately credentialed. In addition, the guidance counselors, school physician, school nurses, Student Assistance Counselor, administrators and other professionals assist department staff when necessary.

Students who may be experiencing difficulties of an academic, physical, emotional, intellectual, or social nature to such an extent that they believe special services are required, should contact their guidance counselor to discuss the problem.

The I&RS committee, or the student's guidance counselor, teacher or parent, may refer a student to the Child Study Team if appropriate. New Jersey School Law requires parental approval before any formal evaluation can be conducted by the Child Study Team.

INTERVENTION AND REFERRAL SERVICE

Ramapo High School has an Intervention and Referral Service Committee to which teachers can refer students who are having academic or social difficulties. The committee will support and guide classroom teachers and coordinate, plan and provide intervention and referral services both through the school and available community-based agencies. They will also actively involve parents and guardians in developing and implementing a plan to assist students.

LIBRARY MEDIA CENTER

The Ramapo High School Library Media Center offers every student the most relevant resources for academic research, plus fiction books for class assignments or pleasure reading. The collection includes more than 14,000 print volumes, 40 magazines and daily newspapers, and 75 databases that are accessible in school and from remote locations. These databases include periodicals, academic journals, literary, scientific, and historical materials as well as materials for general reference.

ADMISSION TO THE MEDIA CENTER

Students may come to the Media Center during study halls (with passes), lunch periods, and after school. In addition, academic classes use the Media Center classroom and resources daily throughout the year.

BOOK LOANS

Students use their Ramapo student I.D. cards to borrow books through our Destiny Library Catalog System from the RIH District Library Media Center collection. Books are borrowed for three weeks and can be renewed when necessary.

The Library Hours are as follows:

Monday: 7:30 a.m. to 3:15 p.m.
Tuesday: 7:30 a.m. to 4:00 p.m.
Wednesday: 7:30 a.m. to 4:00 p.m.
Thursday: 7:30 a.m. to 4:00 p.m.
Friday: 7:30 a.m. to 2:39 p.m.

HEALTH SERVICES

Our health services facility is centered in the nurse's office. Two full-time Certified School Nurse and a well-equipped office and rest room assure any student ample care if he/she should become ill during the school hours. Students must have a signed pass from their teacher before reporting to the nurse. The school nurse is on duty throughout the school day for consultation with students, parents, and staff. For the safety and well being of students/staff, please keep your child home if they are ill for a 24-hour period, fever free without any over the counter medication and no vomiting for a 24-hour period.

The goal of the Ramapo High School Health Services program is the maintenance of a sound mind and body for students and staff. In pursuit of this goal, several screening tests, examinations, and current immunizations are required.

PHYSICAL EXAMS

Physical examinations are required for all incoming 9th grade students and transfer students. Yearly physicals are required for all athletes prior to the start of the season. Vision, hearing, and scoliosis screenings are performed. Pupils must report to the health office at the appointed time for administration of screening tests.

IMMUNIZATIONS

Immunization information and records are required to be up to date in accordance with the N.J. State Health Department Ruling. A form will be sent home to a parent indicating any mandatory immunization(s). A physician must sign this form even if it concerns a past immunization. It should be mailed back to the school nurse's office immediately. Students may be barred from attending school if not in compliance with this ruling.

UNABLE TO PARTICIPATE IN P.E.

Students unable to participate in physical education classes for three weeks or more require a physician's note to the Main Office and are responsible for completing the required make-up written assignment(s). For students unable to participate in gym for up to three days, a parent/guardian note to the Phys. Ed. teacher will suffice. **Students in interscholastic sports, co-curricular activities, or clubs that are physical in nature, or have physical demands, may not participate in their sport while on a gym excuse. In order to return to physical education and sports, a clearance note from the treating physician must be given to the nurse stating that the student may return to normal activities with no restrictions.**

Students who are on crutches must have a physician's order to use them in school.

ACCIDENT REPORTS

Since the accident report is the basis for all insurance claims, all injuries in the classroom, gym, and interscholastic sports, must be reported promptly to the school nurse who will file a report and certify all student claim forms. Insurance coverage, as for athletes, is on an "excess" basis only. Parents must apply to their own insurance carrier first. The school may assist the parent in reporting the injury and obtaining claim forms, but the responsibility for adjustment of any insurance claim lies with the parent.

MEDICATIONS

All medications, either prescription or non-prescription, to be taken on school premises, shall be dispensed by the school nurse. A medication form filled out completely by the doctor with signature and stamp along with parent signature is required for ALL medications, including over-the-counter medications. All medications must be in its original container.

Under no circumstances may a student leave the building unless excused by the office or the nurse, and only after parental permission has been secured.

SCOLIOSIS SCREENING

18A: 4.0-4.3 An act concerning the examination of students for the condition known as scoliosis:

1. Every Board of Education shall provide for the biennial examination of every student between the ages of 10 and 18 for the condition known as scoliosis in accordance with standards jointly established and promulgated by the Departments of Health and Education. Such examination shall be carried out by a school physician, school nurse, physical education instructor or other school personnel properly trained in the screening process for scoliosis. Every Board of Education shall further provide for the notification of the parents or guardian of any student suspected of having scoliosis. Such notification shall include an explanation of scoliosis, the significance of treating it at an early stage, and the public services available, after diagnosis for such treatment. *18A: 4.0-4.3. Scoliosis; test every other year—grades 9 and 11; notice to parents or guardian.*
2. Any student shall be exempt from the examination upon written request by his/her parent or guardian. *18A: 4.0-4.4 Exemption.*
3. No action of any kind in any court of competent jurisdiction shall lie against any physician, school nurse, physical education instructor, or other school personnel by virtue of the provisions of this act. *18A: 4.0-4.5 Immunity from action of any kind due to provisions of act. L. 1978, c.97 § 3, eff. Aug. 14, 1978.*

ATHLETIC ELIGIBILITY

A student who wishes to participate in athletic competition should be in good physical condition with freedom from injury and/or full recovery from illness. When a student is exempt by a physician's note from participation in Physical Education class due to medical reasons they are also prohibited from playing any athletics during that time. They may only return to both activities (Physical Education and Athletics) with a clearance note by the physician.

Each participant must complete and submit a two-part form provided by the district and available for downloading at the www.rih.org website. Part A (Health History Questionnaire) is completed by the parent and must be submitted no more than 60 days before practice begins for each sport. Part B (Physical Evaluation Form) must be completed by the student's personal physician and is valid for a total of 365 days. Both forms will be reviewed by the school medical examiner before participation.

Coaches for individual sports will provide a permission form for participation as well as an emergency card. Both forms must be completed by the parent and returned to the coach.

Approval for athletic participation is based on a student's academic achievement and good school citizenship.

In order for a student to participate in athletic activities, the student must be in school by 11:00 a.m. on the day of the activity. The student must be in school for half of the school day.

First Semester: To be eligible for athletic competition during the first semester of the 10th grade or higher or the second year of attendance in the secondary school or beyond, a pupil must have passed 25% (30) of the 120 credits required by the State of New Jersey for graduation during the immediately preceding academic year.

Second Semester: To be eligible for athletic competition during the second semester of the 9th grade or higher, a pupil must have passed the equivalent of 12 ½% (15) of the 120 credits required by the State of New Jersey for graduation at the close of the preceding semester (January 31). Full-year courses shall be equated as one-half of the total credits to be gained for the full year to determine credits passed during the immediately preceding semester.

NATIONAL HONOR SOCIETY

"For many students, selection as a member of the National Honor Society is the pinnacle of their achievements in school. This honor, recognized throughout the nation, is both the public recognition of accomplishment and the private commitment to continued excellence on the part of the new member."*

In the Ramapo Indian Hills Regional High School District, selection to the National Honor Society (NHS) is made by a five-member Faculty Selection Council in the fourth quarter of the junior year and the first/second quarter of the senior year. By NHS rules, only students who have been enrolled in the District for the equivalent of one semester are eligible for membership.

“The Faculty Council of the chapter selects students who demonstrate *outstanding performance* in all four criteria of NHS—scholarship, leadership, service, and character.”* All juniors with a 3.6 cumulative average at the end of the fifth semester and all seniors with a 3.6 cumulative average at the end of the sixth semester are eligible. All eligible students will be invited to submit an application portfolio of information to be used by the Faculty Selection Committee to support the student’s candidacy for membership. To be offered membership in NHS, an eligible student (with the required GPA) must “...demonstrate outstanding performance I all four criteria of scholarship, leadership, service, and character.”

Those four criteria are defined as follows:

Criterion 1 – Scholarship: 1) eligibility is based on a 3.6 cumulative grade point average. The cumulative average includes grades through fifth semester for juniors and sixth semester for seniors; 2) once selected, each member must maintain the required cumulative average; 3) all students with a 3.6 GPA and higher are eligible to apply, however, academic rigor will be strongly considered in the application process.

Criterion 2 – Leadership: candidate 1) demonstrates and exemplifies leadership in the classroom, in extra curricular activities, and/or on the athletic field, at work, or in community activities; 2) is thoroughly reliable and dependable in any responsibility he/she accepts; 3) successfully holds school offices or positions of responsibility, influencing others for the good of the school community; 4) demonstrates leadership outside elected positions through participation in other activities offered on campus, such as athletic team captains, section leaders in band and chorus, committee chairs or directors in student groups, etc.; 5) exemplifies positive attitudes and inspires positive behavior in others; 6) exercises positive influence on peers in upholding school rules, ideals, and spirit; 7) contributes ideas that improve the civic life of the school; 8) demonstrates initiative in promoting and supporting school activities.

Eligible students must verify leadership roles with letters of documentation from adults in charge of each activity, organization or group.

Criterion 3 – Character: The National Honor Society is a member of the Character Counts! Coalition and supports the criteria of the Six Pillars of Character: trustworthiness, respect, responsibility, fairness, caring and citizenship. The student of character: 1) promptly meets pledges and responsibilities to teachers, to school, and to others; 2) demonstrates the highest standards of honesty, reliability, morals, and ethics; 3) constantly exemplifies desirable qualities of personality (cheerfulness, friendliness, poise, stability, and proper behavior both in and out of school); 4) cooperates by complying with school rules and regulations; 5) has no record of infractions of school rules and regulations; 6) upholds principles of morality and ethics; 7) takes criticism willingly and accepts recommendations graciously; 8) regularly shows courtesy, concern, and respect for others; 9) manifests truthfulness in acknowledging obedience to rules, avoiding unwillingness to profit by the mistakes of others; 10) actively helps to rid the school of bad influences or environment.

Criterion 4 – Service: “Service is...considered to be those actions undertaken by the student which are done with or on behalf of others without any direct financial or material compensation.”* The student who serves others: 1) volunteers dependable and well organized assistance to others on his/her own time; 2) works well with others and is willing to take on difficult or inconspicuous responsibilities; 3) willingly does committee and staff work and shows initiative; 4) is sacrificing of time for others; 5) is willing to represent the class or the school in inter-class and inter-scholastic competition; 6) mentors persons in the civic, social, or humanitarian community; 7) shows courtesy by assisting visitors, teachers, and students; 8) participates in the work or activity of civic, social service, faith-based, or humanitarian group (scouting, mentoring, volunteer services for the poor, elderly, or disadvantaged); 9) shows evidence of recent, significant volunteerism, in areas including, but not limited to, extracurricular activities in the school environment, as well as service to humanitarian causes, civic service, community service, or faith based service.

The Faculty Council believes that eligible students should endeavor to provide evidence of 50 or more hours of service in a variety of areas for the three years of enrollment in the District.

Eligible students must verify service hours in activities outside of school with letters of documentation from adults in charge of each activity, organization, or group. Letters must identify the number of hours (per week or per event, or per

year), the years of service, and the type of service rendered. Letters must be on official stationery and must be signed by the adult in charge.

NOTE: Activities (such as babysitting, after-school jobs, summer jobs, camp counseling) *for which a student receives compensation* cannot be considered in the Service category. Activities such as babysitting for relatives, performing household chores, helping neighbors, also cannot be considered in the Service category. Activities such as playing on a summer or town recreation sports team, while part of a student's record of participation in out of school activities, cannot be considered in the Service category.

NOTE: A student's service record must reflect significant involvement each year, and especially in the year(s) of selection eligibility. Service must include significant humanitarian and/or civic service activities. Activities identified under the Service Category should include and reflect a balance of contributions to school extra curricular activities, to civic, humanitarian and community service.

Selection to NHS also involves a survey of all teachers who have had contact with candidates in any of the four years of enrollment in the District.

Students who are not selected for membership have the right to appeal the decision of the Faculty Council within ten (10) days of official notification of non selection. Appeals must be based on a perception of error by the Faculty Council in following the appropriate guidelines in the NHS Handbook. Appeals should not be based on mere disagreement with the Faculty Council's judgment. Appeals, therefore, are primarily a request for the Faculty Council to re-examine its adherence to the appropriate procedures.

Students who wish to appeal must first speak to the NHS advisors, and then write an appeals letter. This letter is brought to the principal and then the Selections Committee. Students or parents who wish to appeal the decision of the Faculty Council (as per the above guidelines) must follow the complaint procedures established by the RIH Board of Education.

Students who are not selected after the fifth semester junior year will be eligible to submit their portfolio for reconsideration in the fall of their senior year, provided they have maintained the required GPA.

Members of NHS provide free tutoring to any student. For more detailed information about NHS, see the advisor or the guidance counselor. *National Honor Society Handbook 16th Edition 2005.

WORLD LANGUAGE NATIONAL HONOR SOCIETY

The purpose of the World Language National Honor Society is to recognize high achievement in the study of a foreign language. It is for those who have shown and proven a deep interest in a foreign language. Ramapo High School is proud to offer three National Honor Societies for our students:

- Société Honoraire Française
Charter #3542
- Societa Onoraria Italica
Dante Alghieri
- Sociedad Honoraria Hispánica
Capítulo Antonio Maceo

Qualifications for membership during the senior year:

- The student must have completed three consecutive years of the same language study at the high school level.
- The student must have received final grades of at least two A's and one B for the three years of language study.

- The student must be currently enrolled in the same language during their senior year and must be in honor roll average standing (nothing less than a B) in that language course.

The induction ceremony is held in the fall of the senior year.

Members may enjoy the benefits of their World Language National Honor Society. For example: they may vote, hold office, have the right to wear their society’s honor cord/pin/medal at graduation, may be eligible to receive scholarships for study abroad, etc... In addition to these benefits, the students in this prestigious society will give back to the community through a variety of projects. As an example, a peer-tutoring schedule will be organized whereby the students are expected to offer academic assistance to fellow students enrolled in lower level language courses.

A member may be removed from any of the above-mentioned Chapters at the discretion of the Chapter Sponsor, the World Language NHS Advisor, and/or Administration, for failure to maintain an honor roll average, misconduct, insubordination, or any other infraction deemed serious by the Administration.
