Dear Parents/Guardians:

The Ramapo Indian Hills Regional High School District Special Education Parents' Advisory Group (SEPAG) is an opportunity for parents to provide feedback to the district on concerns and issues regarding students with disabilities. In addition to the SEPAG meetings, the District also schedules meetings for your child's Individualized Education Program (IEP). These meetings are scheduled by the Supervisor of Special Services and the Child Study Team to discuss your child's progress.

Unlike the IEP conferences, the purpose of these SEPAG meetings is to provide an opportunity for parent input to the district on issues concerning students with disabilities and be exposed to various guest speakers who are experts in the area of Special Education.

We would like to invite you to the following SEPAG meeting. The meeting details are listed below:
