				Band Physicals Due to Nurse

Thought for the Week from S.A.D.D.: Automobile crashes are the leading cause of death for teens. Approximately 36% of traffic deaths of 15-20 year olds are alcohol-related. The potential for young people to be involved in crashes caused by alcohol and other drugs increases in the warm weather, especially during times when proms and graduations are celebrated.

SUMMER LEARNING ACADEMY

The Ramapo Indian Hills Regional High School District is excited to offer over 70 weeklong sessions across several content areas. These sessions are aimed to provide students with hands-on in-person learning experiences, skill review and reinforcement, and performance-based opportunities that address learning needs. Each session is held over 4 days in the assigned week, with some sessions being offered multiple times over the five weeks of the Summer Learning Academy Program. All sessions are taught by the District's highly-qualified staff and open to Ramapo Indian Hills students only, free of charge. Sessions are also open for registered, incoming freshmen. Please review the session descriptions and registration information here: [website](#). All registrations need to be complete by **Monday, June 12.**

CLASS OF 2024 - OBLIGATIONS - PARKING

Attention Class of 2024...be on the lookout for the Google Parking Application on Schoology in early June. Note that ALL obligations must be cleared by June 19th or your parking application will be denied. Obligations include library/textbook returns, money owed to cafeteria/ITC, returns of Athletic uniforms/equipment and any outstanding obligations from the previous school year.
